My CLAT journey was not an experience, but an adventure with CG. They gave a boost to my law entrance preparation. my CG and All India Test Series helped me a lot in my preparation. Sectional tests provided in the Test Gym helped me improve on my weaknesses. I attribute my success to team CLAT Gurukul.

CG provided me a platform to prepare for law entrance tests with the brilliant, well-maintained exam application at clatgurukul.com, and the experienced and knowledgeable faculty members. With convenient classes and constant guidance, supplemented with fabulous study material, I can safely say that choosing CG over others has been one of the better academic decisions of my life.

I am really thankful to the whole team of CG for their guidance. The Mocks were of varying difficulty level, which helped formulate a strategy and manage time accordingly. I will especially recommend CG Test Series as it really helped me gauge my preparation of a particular section or topic. Also, CG compendium is the best current affairs compendium available!

CG has been instrumental in my CLAT preparation-right from well-crafted Mocks to the extensive GK resources. The study material, both online and offline, was comprehensive and sufficient. These, coupled with the highly competent and supportive faculty members, made this journey both fruitful and memorable.
